c) Right of the shareholder to submit draft resolutions on matters introduced to the agenda during the shareholder meeting

Any shareholder may, during the OSM, submit draft resolutions on matters introduced to the agenda.

d) Information on the method of exercise of the voting right by an attorney-in-fact, including in particular the forms used during the voting by such attorney-in-fact, and on the method of notifying the Company, by means of electronic communication, of appointing an attorney-in-fact.

Any PZU SA shareholder may participate in the OSM and exercise the voting right personally (in the case of a legal person – by the persons entitled to submit declarations of will for and on behalf of such legal person) or by an attorney-in-fact. At the OSM, such shareholder's attorney-in-fact shall exercise all rights of the shareholder unless the power of attorney stipulates otherwise. Such attorney-in-fact may grant further powers of attorney if such right arising out of the contents of the original power of attorney. One attorney-in-fact may represent more than one shareholder and vote differently from the shares of different shareholders. If a shareholder holds shares deposited in more than one securities account, such shareholder may appoint separate attorneys-in-fact to exercise the rights attached to the shares deposited in each such account.

A power of attorney to participate in the OSM and exercise the voting right must be granted in writing or electronically. Such power of attorney granted electronically is not required to be signed with a secure electronic signature verifiable with a valid qualified certificate.

The right to represent a shareholder who is not a natural person should arise out of an official copy of the relevant register (or a copy thereof), another document confirming the right of representation entrusted to the representative(s) or a string of powers of attorney, presented, as the case may be, during the preparation of the attendance record. The person(s) granting a power of attorney on behalf of a shareholder who is not a natural person should be indicated in an up-to-date official copy of the shareholder-relevant register or in another document confirming his/her/their right or representation. It shall be supposed that a power of attorney granted in writing and confirming the right to represent the shareholder at the OSM complies with the law and does not require any confirmation unless the chairperson of the OSM doubts its authenticity. In such case, the right is reserved to demand that the attorney-in-fact must present the original document or a copy thereof confirmed as compliant with the original by a notary or by another entity authorized to confirm documents as compliant with the original official copy of the relevant register or another document confirming the attorney-in-fact's right of representation or a string of powers of attorney to represent the shareholder at the OSM. In the event any document presented as proof of the granting of a power of attorney is drawn up in a language other than Polish, a sworn translation into Polish of such document should be attached.

The forms to be used for voting by an attorney-in-fact are available on PZU SA's website at <http://www.pzu.pl/> in the [Relacje inwestorskie \[Investor Relations\]](#) tab.

The use of such forms is not mandatory. In the event an attorney-in-fact has received voting instructions, the Company shall not verify whether or not the attorney-in-fact exercises the voting right in accordance with the instructions received from the principal.

The shareholder granting a power of attorney shall notify PZU SA by e-mail to: oi.pzu@pzu.pl

Such electronic notice of the granting of a power of attorney should contain the business name or the full name of the principal, its/his/her phone number and e-mail address and the business name or the full name of the attorney-in-fact, its/his/her phone number and e-mail address.

Together with such notice of the granting of a power of attorney, the shareholder shall send to PZU SA the contents of the power of attorney including at least the following data: the business name or the full name of the principal, the business name or the full name of the attorney-in-fact, the number of the identity card or the passport of the attorney-in-fact who is a natural person, an expressly stated authorization for the attorney-in-fact to represent the principal at the OSM as well as the scope of such power of attorney, the number of shares from which the voting right shall be exercised, the date of the OSM at which the voting right shall be exercised, the date of granting the power of attorney and the shareholder's signature.

Available on the Company's website at <http://www.pzu.pl/> in the [Relacje inwestorskie \[Investor Relations\]](#) tab are forms of power of attorney to participate in the OSM which may be used by the shareholders.

Furthermore, if such power of attorney has been granted by an entity which is not a natural person, the electronic notice of the granting of a power of attorney sent by the shareholder to PZU SA should contain a scanned official copy of the shareholder-relevant register or another scanned document confirming the right of the persons granting the power of attorney to act on behalf of the shareholder.

If the attorney-in-fact is not a natural person, the shareholder shall additionally send to PZU SA a scanned official copy of the attorney-in-fact-relevant register or another scanned document confirming the existence of such attorney-in-fact.

All such scanned documents shall be sent by the shareholder to PZU SA in the PDF format. The sending of the aforementioned documents to PZU SA shall not relieve the attorney-in-fact of the obligation to present its/his/her identification documents during the preparation of the attendance record of shareholders entitled to participate in the OSM. In case of doubt as to the authenticity of the aforementioned documents, the PZU SA Management Board reserves the right to demand that the originals of such documents or their official copies confirmed as compliant with the original by a notary or by another entity authorized to confirm documents as compliant with their originals. In the event of failure to present such documents, the shareholder's attorney-in-fact may be denied participation in the OSM.

The above rules apply accordingly to notifying PZU SA electronically of the revocation of a power of attorney. An electronic notice of granting or revoking a power of attorney should be sent to PZU SA by 3:00 p.m. on the business day immediately preceding the date of the OSM.

PZU SA shall take appropriate action to identify the shareholder and the attorney-in-fact to verify the validity of the power of attorney granted electronically, with such action being commensurate with the objective to be achieved. PZU SA shall, without limitation, have the

right to establish contact, by telephone or e-mail (indicated in the notice of granting the power of attorney), in order to verify the fact of granting and the scope of the power of attorney.

An attorney-in-fact at the OSM may also be a management board member, a supervisory board member, a liquidator, a PZU SA employee or a member of any corporate authority or an employee of a PZU SA subsidiary. The power of attorney for the aforementioned persons may authorize representation only at the OSM. The attorney-in-fact shall be obligated to disclose to the shareholder any circumstances indicating the existence or the possibility of a conflict of interest. No further powers of attorney may be granted. The attorney-in-fact referred to in this paragraph shall vote in accordance with the instructions given by the shareholder.

Without prejudice to the requirements set forth in the preceding paragraph, a PZU SA shareholder may not vote as an attorney-in-fact on resolutions concerning its/his/her liability toward PZU SA on whatever account, including exoneration on the performance of duties, release from any of its/his/her obligations toward PZU SA or any dispute between it/him/her and PZU SA.
