

Additional package Protection for the child

Benefits of the proposed offer

- **Wider financial security** for employees in the event of unforeseen contingencies.
- **In the event of an injury or serious illness of the child (e.g. malignant tumour, neuroborreliosis, sepsis), the parent will receive funds** that can be used for any purpose, such as additional medical consultations.
- **If a child ends up in hospital due to an accident or illness, a parent will receive a benefit** for each day of his or her hospitalisation. These funds can, for example, help cover the costs of travelling to hospital.
